

Summary Unit 5 – 3º Primaria

Texture

Texture is an artistic element that we can see when looking at something like a photograph or when touching something. There are many types of textures such as rough, smooth, or soft.

Stamping and Pattern

The pattern is the design or shape that we want to repeat. Stamping consists of engraving or printing a pattern on paper, clay, wood, or paint.

Advertising Posters

They have three parts:

- Image: a photograph or illustration.
- Title: the name of the poster.
- Slogan: a brief text that accompanies the image.

Artistic Sessions

These are meetings of artists to talk about art and are led by experts.

Artistic Spaces

These are places where we can see Art and enjoy Culture.
